The following is an examiner's statement of reasons for allowance: While the newly cited reference to Hu et al (2004/0188829) discloses a thermal interface with a containment pad surrounding a perimeter edge of an enclosure, it does not teach or render obvious the use of such a containment pad in combination with a flexible enclosure for confining a thermally conductive fluid.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
